ORDER

On this day came on to be considered the motion of Defendant Pedro Banda for leave to file additional motions, "should such motions become appropriate" based upon future discovery (D.E. 27). The Court hereby DENIES Defendant's motion for leave to file additional motions. If Defendant wishes to file a specific motion in the future, Defendant should seek leave to file that motion in particular, rather than generally seeking leave to file motions that may become appropriate at some later date.

SIGNED and ENTERED this 18th day of May, 2007.

United States District Judge
